

2nd Grade Supply List

- 2 Pkgs. #2 [Ticonderoga](#) Pencils (18 count)
- 2 [Pkgs. 8 ½"x11" 20lb. white copy paper](#)
- 1 [8-pk. Low odor dry erase markers](#)
- 1 [8 ½" x 11" clipboard](#) (with a flatter clip is preferable)
- 1 [2-inch binder with plastic sleeve on cover to](#) slip name sheet through
- 8 [Plastic, pocketed subject dividers with tabs](#) for binders. Label the tabs for Science, Social Studies, Math, Spelling, Reading, English, Religion, and Music.
- 3 [single-subject spiral notebooks](#) – for HW journal, Words Their Way, and Spanish work.
- 2 [Pocket Folders](#)– Pee Chee type to hold packets and classwork for Spanish and Writers Workshop
- 1 [Ear Buds](#) for listening to the computer (iPod like) – **if don't have one already**
- 1 [Zippered pencil bag](#) (NO BOXES PLEASE) **BIG** enough to hold the following:
 - 1 pair Fiskars scissors
 - 1 box **16-24 ONLY** count crayons (no glitter or scented)
 - 1 set of **8-10** classic colored markers
 - 1 small set of colored pencils (8-10 count)
 - 4 lg. erasers
- 1 backpack for safety, but **NO ROLLING BAGS, PLEASE.**
- 3 canisters Clorox type wipes
- 1 roll paper towels
- 2 **large** boxes of Kleenex for lots of runny noses

Please label the following items with your child's name: scissors, pencil bag, clipboard, and backpack. All other items will be considered as general classroom supplies and need not be labeled. **Please don't purchase anything other than what's on this list.** Other items will be sent home. The children will not be able to bring their classroom supplies home. **Space in the desks and closets are limited, so bring only what they need. Please have all supplies ready for drop off in August prior to school starting!** Thank you!

*** Please have your children practice their math, typing, and grammar skills on the following websites frequently before they enter the second grade. These will help reinforce what they have learned so far and get them ready for next year.**

www.abcya.com (Great place to practice math, time, and money)

<http://www.bbc.co.uk/schools/typing/> (can begin practicing touch typing)

<https://scratch.mit.edu/> or <https://studio.code.org/> for coding practice if you like!

<http://www.funbrain.com/kidscenter.html> (Math Brain Game and Grammar Gorillas) ***

** Grammar skills: Nouns, Verbs, and Adjectives

*** Math skills: Addition and Subtraction for numbers 0-12 (No regrouping)

Supply Drop off: 8/17 and 8/18 9am-3pm

Summer BINGO!

What it is: It's an opportunity to have a little fun this summer while preparing for next year!

What to do: Just complete one BINGO each week for 4 weeks over the summer to keep your skills sharp. There are Math, Reading, and Writing activities scrambled up inside. Have your parents initial the activities you complete. If you want to do more – BY ALL MEANS!!!

What is NECESSARY: On top of the BINGO, you MUST also read for 20 minutes each day at a scheduled time. Work this out with mom and dad, so you make sure it happens. You can read to them, they can read to you, or you can take turns. The most important thing is that you READ. Then, answer some comprehension questions like:

- Who is the Main Character?
- What is the Setting?
- What happened at the beginning, middle, and end of the story?
- How many details can you remember after you are done reading?

Enjoy this time with your family or friends and find some great authors, genres, or series that you really like! That will help you pick better stories next year for Readers Workshop. We have included a Reading Log for the 2 months of Summer Vacation, too! We just hope you really develop a LOVE of reading!

See you in August!
Mrs. Barnes

Go to a local library, get a card, and check out a book to read during this week!	Go to www.funbrain.com to the math arcade and work at a comfortable level for 20mins.	Listen to a book on tape and retell it to someone else! If you don't have one, get one at the library.	Read a book and write a new ending. Share it with someone.	Go to this link and practice telling time! http://www.abcy.com/telling_time.htm
Go to a Story Hour at a local library and listen to a story read out loud.	Go into your pantry, write down, and take a picture of all the food inside with 2 syllables.	Go to this link and practice with money! http://www.abcy.com/counting_money.htm	Send a postcard to a friend or family member from some place you visit this summer and tell them what you did.	To go http://www.storylineonline.net/storyline.swf and listen to a story online.
Work with addition, subtraction, multiplication, and/or division flash cards with a friend for 20mins.	Have a Reading Party Sleepover and read with your friends.		Go to the grocery store and make the change to pay for the food!	After listening to someone read you a story, write a retelling of it. Share it with the reader to make sure you got all the details.
After reading a story to someone, write down some comprehension questions they should be able to answer. Ask them.	Go to http://www.mapquest.com/ and find out the total distance you traveled this summer on trips.	Go to http://www.poetry4kids.com/ and click on Poetry Lessons to write your own silly poem.	Have a Library play date and check out 3 books to read this week to someone at home.	Go to http://www.storylineonline.net/storyline.swf and write down the main character(s), setting, and in which person the story is told.
Read a story. Write a summary with a topic sentence and at least 5 supporting sentences with lots of details.	Go to your bathroom and write all the nouns that are in it. Add one adjective to describe each one.	Go to http://www.harcoutschool.com/activity/bowling_for_fractions/ and practice with fractions for 20mins.	Go to http://www.poetry4kids.com/ and read some of Kenn Nesbitt's funny poems for fun!	Measure the length and width of your TV in inches and centimeters. Which one has higher numbers?

- **Pick one way to make BINGO. Do all the activities in a row. These activities are in addition to a daily set schedule for reading for at least 20mins./day. You can read to an adult, they can read to you, or you can take turns, but READ! Answer comprehension questions as well to improve your ability to remember details!**

2nd Grade Summer Reading Choices

There are many Reading Levels in any class. Once your child's end of year Reading Level is known to them and you, it will be easier to find books they can manage on their own over the summer. They are expected to read about 15-20 mins./day. They will need to read at least 3 books this summer. They can always read more if they like. Please put their name on the line below.

We will be doing some class activities during their first week of school based on their 3 choices. Please have them bring their book choices to school for their book boxes, so they can complete their projects.

You can always go to <http://www.scholastic.com/teachers/> to Book Wizard by Guided Reading Level or <http://www.arbookfind.com/> to find more books in your child's level for this summer and your home library. Not all books have guided reading levels, but many can be found on these links.

Some Suggestions

Books in a Series:

- F and G Levels – i.e. David books
- H Level – i.e. Little Critter books
- L Level – i.e. Pinky and Rex books
- M and N Levels – i.e. Magic Tree House books
- M and N Levels – i.e. Junie B. Jones
- O and P Levels – i.e. Goosebumps

_____ 's Reading Choices
(These are the books I will bring to school.)
