

FEBRUARY Newsletter

Dear Parents,

Happy Valentine's Day to you and your loved ones.

It is so great to be blessed with a school filled with children, families, and teachers that spread the LOVE every day. I want each and every one of you to know how much I LOVE working with you. It warms my heart to see your beautiful child walk through our doors every day, I am blessed!

Even though February is the shortest month of the year we have much going on! It is the international month of friendship, which we will honor with discussions, stories, and encouragement on how to show God's love to our friends, practice inviting friends to work together, and engage in many activities that promote teamwork.

Our Valentine curriculum will feature many art explorations using theme colors and heart shapes to decorate our classroom.

Catholic School Week 2016

January 29– February 3

We are all very blessed to teach in a Catholic school. Teaching in a Catholic preschool grants us the opportunity to enrich the mind and body, as well as the soul of young children. We serve as leaders for young children and we encourage them to live and be like Christ. They are the future of our church.

We have a week filled with fun activities

Valentine's Day

Tuesday, February 14

We will have a friendship snack celebration and exchange Valentine cards.

If you would like to bring in a special snack, we will have a sign up list posted by the sign in books.

Sending in Valentine cards/healthy treats is voluntary. Please, if you do send Valentine cards/treats to school, send in one for each child in the class.

Please do not put a recipient name on Valentine envelopes. This is helpful for your child when he/she distributes the Valentine cards to his/her classmates.

Please look for the friendship snack party sign ups posted by the sign in books.
