

Summer School

9:00 – 9:50am

1A – Reading (1st – 2nd)

Students will practice their reading skills with literature and informational text using Readers Workshop skills and strategies at their reading levels. This will also be supplemented with Words Their Way word work that can enhance their understanding of spelling patterns.

Ms. Gonzalez/Mrs. Martinez

Materials Fee: \$5

1B – Writers Workshop (4th – 5th)

In Writer's Workshop, full class lessons are short and tightly focused on practical real-world issues. Students will write as authors do by learning strategies to choose their own topics and develop their writing using the writing process. Teachers write with their students and share their own work as well. The writing process is based on the idea that students learn to write best when they write frequently, for extended periods of time, on topics of their own choosing.

Ms. Bell

Materials Fee: \$5

1C – Math Blasters (6th – 8th)

Students will improve in math computation through daily practice of addition, subtraction, multiplication and division. Strategies for solving word problems will also be introduced. Students will create Khan Academy accounts to help individualize learning and allow students to move at their own pace.

***Math Remediation**

Mr. Hernandez-Ball

Materials Fee: \$5

1D – Young Scientists (TK-K)

Children will work together to explore what a plant needs to survive by preparing soil and planting seeds, make icky, sticky substances while learning about worms, bugs, and other critters, and learn about eggs and the animals that lay them while proving their an "eggs-pert" by designing a successful egg-protection capsule in the egg drop experiment. We will have lots of fun while learning and enjoying science!

Mrs. Betts

Materials Fee: \$5

projects into the air and master the art of flight.

Mr. Caswick

Materials Fee: \$10

1E – Pre-Algebra (6th – 8th)

Come join Math Masters! Students will expand their mathematical horizons, improve problem-solving skills, and have fun while doing it! Learning is personalized via School21 and aligned to the Common Core Math Standards. ***Math Enrichment**

Mrs. Magaña

Materials Fee: \$5

1F – Digital Photography (3rd – 8th)

Learn about photography through basic rules of thirds, golden triangles, golden spirals, shapes, colors, vantage point, balance, and framing. May take short walking fieldtrips for subject matter. Need own digital camera, wire to upload, battery charger, and clean memory chip.

Class finale includes student's best photo displayed in a Photo Exhibit at Ruby's Diner in Redondo Beach!

Mr. Hazen

Materials Fee: \$25

1G – Tennis Anyone? (2nd – 8th)

Our own Mr. R is giving tennis lessons for beginners and intermediate players. We will go over forehand and backhand swings, volleys, and tips on how to serve! We'll practice our skills by playing tennis games, too! **Come prepared with your own racket!**

Mr. Rodriguez (Mr. R)

Materials Fee: \$5

1H – The Art of Flight (2nd – 5th)

During flight class we will master art of creating the perfect paper plane. Then advance into the flight of rockets and end with floating off with hot air balloons. Students will have fun as they launch their

1J – Computer Programming (3rd - 4th)

Students will be guided through lessons, adaptive exercises, projects steps and tests. They will use kid friendly coding tools to encourage creativity, critical thinking, logical sequencing, and fun! Students are sure to remember the many concepts they are exposed to, so they can continue on their own.

Mrs. Tsosie

Materials Fee: \$5

1K – Mr. Rah Rah Chess (1st – 8th)

Mr. Rah Rah brings out the very best in every student and encourages teamwork, sportsmanship, and critical thinking skills to learn to master the game of chess! It's a high-energy, competitive, and engaging environment! Your child will LOVE their experience!

Mr. Rah Rah

Materials Fee: \$10

9:55 – 10:45am

2A – Writing (1st – 2nd)

Using the Writers Workshop method of instruction, both the teacher and the students will model and demonstrate their writing skills using various techniques in narrative writing, informational writing, opinion writing, and poetry! Bring out your inner author!

Ms. Gonzalez/ Mrs. Martinez

Materials Fee: \$5

2B – Writers Workshop (6th - 8th)

Each student in the class is a working author. At this level, students will write informative/explanatory texts that examine a topic and convey ideas, concepts, and information through the selection, organization, and analysis of relevant information. Students will also write narratives about real or imagined experiences using effective technique, relevant descriptive details, and well-structured event sequences.

Ms. Bell

Materials Fee: \$5

2C – Math Blasters (2nd – 3rd)

Students will improve in math computation through daily practice of +, -, x, and division. Math Steps will be used to practice basic skills and students will also create Math Journals for practice Pre-algebra concepts such as real numbers, the order of operations (PEMDAS), solving equations, and strategies for solving word problems. FUN FRIDAYS will be set aside for math games to show that math can be FUN! Assessments will be used to measure progress. ***Math Remediation**

Mr. Hernandez-Ball

Materials Fee: \$5

2D – Math Stars! (TK-K)

In this session, we will get the opportunity to explore math concepts through games and hands-on activities. We will build teamwork through group collaboration (puzzles, pictures Sudoku). We will also strengthen counting and cardinality, creating pictures with common 2-dimensional shapes, and patterns.

Mrs. Betts

Materials Fee: \$5

2E – Math Masters (2nd – 3rd)

Come join Math Masters! Students will expand their mathematical horizons, improve problem-solving skills, and have fun while doing it! Learning is personalized and aligned to the Common Core Math Standards. ***Math Enrichment**

Mrs. Magaña

Materials Fee: \$5

2F – Music and Rock (3rd – 8th)

Organized like a standard Christian Rock ensemble, students will learn the basics of

the guitar, bass, keyboard and drums. Learn how to read classical music notation as well as tablature for each instrument. Students will get hands on experience with all of the instruments in a Christian Rock group and will learn how to set up for live performance. We will also talk about the basics of music recording and production.

Students are not required to own any instrument; however, if the student has an instrument preference, it is recommended that Students have access to that instrument so they can practice outside of school.

Mr. Hazen

Materials Fee: \$10

2G – Tennis Anyone? (2nd – 8th)

Our own Mr. R is giving tennis lessons for beginners and intermediate players. We will go over forehand and backhand swings, volleys, and tips on how to serve! We'll practice our skills by playing tennis games, too!

Mr. Rodriguez (Mr. R)

Materials Fee: \$5

2H – Science Lab (2nd - 4th)

Explore science with fun hands on experiments. This class will explore the exciting fields of physical, chemical and earth science. Experiments will include making glowing soda and green slime. Each week will be an exciting learning experience as students explore with each science experiment.

Mr. Caswick

Materials Fee: \$25

1J – Computer Programming (5th - 6th)

Students will be guided through lessons, adaptive exercises, projects steps and tests. They will use kid friendly coding tools to encourage creativity, critical thinking, logical sequencing, and fun! Students are sure to remember the many concepts they are exposed to, so they can continue on their own.

Mrs. Tsosie

Materials Fee: \$5

2K – Mr. Rah Rah Chess (1st – 8th)

Mr. Rah Rah brings out the very best in every student and encourages teamwork, sportsmanship, and critical thinking skills to learn to master the game of chess! It's a high-energy, competitive, and engaging environment! Your child will LOVE their experience!

Mr. Rah Rah

Materials Fee: \$10

11:10 – 12:00pm

3A – And Arithmetic (1st – 2nd)

Students will practice critical foundational math strategies to strengthen their computation skills as well as learning to

explain to demonstrate mastery. Manipulatives are used where necessary. Instruction will be differentiated to help all students grow where they are ready! Assessments will be given to track growth!

Ms. Gonzalez/ Mrs. Martinez

Materials Fee: \$5

3B– Writers Workshop (2nd – 3rd)

Writing Workshop is a place for kids to be writers – a place where they will have time to work on writing as adult writers do. At the elementary level, students begin the process of writing narratives, procedural / How to pieces, and informational pieces of writing. Writer’s Workshop is a process-oriented class in which students learn to select writing topics, draft, edit, give and receive responses, revise, redraft, and refine their writing at their own pace.

Ms. Bell

Materials Fee: \$5

3C – Math Blasters (4th – 5th)

Have fun with numbers and develop confidence and speed through daily practice of skills. Manipulatives will be used to better cement learning. FUN FRIDAYS will be set aside for math games to show that math can be FUN! Assessments will be used to

measure progress. Gain confidence to succeed next year. ***Math Remediation**

Mr. Hernandez-Ball

Materials Fee: \$5

3D – Diversity & Social Skills (TK-K)

In our "Using Words to Work Things Out" theme, children will be able to negotiate conflicts by using words, participating in a puppet show that dramatizes a story recently read in class, and respecting the feelings and belongings of other children.

In "Food and Languages of the World" theme, children will be able to focus on diversity and expand their knowledge on other cultures through food and languages.

Mrs. Betts

Materials Fee: \$10

3E – Math Masters (4th – 5th)

Come join Math Masters! Students will expand their mathematical horizons, improve problem-solving skills, and have fun while doing it! Learning is personalized and aligned to the Common Core Math Standards. ***Math Enrichment**

Ms. Hernandez

Materials Fee: \$5

3F – Writer Workshop Support (Not a CLASS)

Mr. Hazen will be working with Ms. Bell to support the number of writers in this session. This class is an extension of 3B, so no sign up required. It just allows for overflow space and instruction!

3G – Tennis Anyone? (2nd – 8th)

Our own Mr. R is giving tennis lessons for beginners and intermediate players. We will go over forehand and backhand swings, volleys, and tips on how to serve! We'll practice our skills by playing tennis games, too!

Mr. Rodriguez (Mr. R)

Materials Fee: \$5

3H – Science Lab (5th-8th)

In this session we will take an advance look at science through hands on experiments and labs. Experimenting with fun household items will help students gain a better understanding of the physical and chemical world. Students will get to experience some great chemical reactions as well build lava lamps and play with static electricity.

Mr. Caswick

Materials Fee: \$25

3J – Computer Programming (7th – 8th)

Students will be guided through lessons, adaptive exercises, projects steps and tests. They will use kid friendly coding tools to encourage creativity, critical thinking, logical sequencing, and fun! Students are sure to remember the many concepts they are exposed to, so they can continue on their own.

Mrs. Tsosie

Materials Fee: \$5

3K – Mr. Rah Rah Chess (1st – 8th)

Mr. Rah Rah brings out the very best in every student and encourages teamwork, sportsmanship, and critical thinking skills to learn to master the game of chess! It's a high-energy, competitive, and engaging environment! Your child will LOVE their experience!

Mr. Rah Rah

Materials Fee: \$10

How to Register: Go to:

www.ourladyofguadalupeschool.org/
summer-school](http://www.ourladyofguadalupeschool.org/summer-school)

(copy address into new browser)

1. **Choose 2 classes per session:** a first choice and an alternate. Classes are assigned on a **first come – first serve basis** and some fill up early. **The numbers in parenthesis** next to the class title indicate that the course is **designed for children entering that grade in the fall.**
2. **Registration will begin on March 1, 2017 for OLG students only.** Your registration fee of **\$10/child** will be due at that time. **You will be billed for the total cost of Summer School and/or Camp. Registration for the public will begin on March 15, 2017.**
3. **Only checks or money orders will be accepted made out to OLG Summer Program– no cash. The individual teachers will collect no additional fees. All fees must be paid by June 2, 2017 or a late fee of \$75 will be assessed. All fees will be due and payable at time of registration for anyone entering the program after June 2, 2017.**

4. If you want to see your child's photo in next year's program, sign the Parent Release of Images.
5. Mrs. Yvonne Wilcox– Summer Director
310-372-7486 ext. 339
yewilcox@ourladyofguadalupeschool.org

Summer Adventures: (June 19–30)

8am – 5pm only \$300/2wks. or \$200/wk.

Family discounts are available:

	Full
1st Child	\$300
2nd Child	\$260
3rd Child or more	\$220

Morning Day Care: (July 3 – July 28)

(No School or Camp on 4th of July)

**7:30am – 9:00am \$80/4wks. or \$25/week
(can be 5 random days needed at a time)**

Summer School Costs: (July 3 – July 28)

Full Program - 4 wks. \$360/child

(Plus Material Fees)

Family discounts are available:

	Full
1st Child	\$360
2nd Child	\$310
3rd Child or more	\$260

Summer Camp

Experience our local community and resources through our dynamic and structured Summer Camp here at Our Lady of Guadalupe!!! Activities will include local exploration, theme days, recreational activities, and structured fun!!!

Summer Camp Costs:

July 3 - July 28 Only – 12-6pm

Full Program * \$400/child

**Weekly Program \$125/child
(Includes Insurance and 2 T-shirts!)**

***Family discounts available for full program only:**

1st Child	\$400
2nd Child	\$350
3rd Child or more	\$300

**Warning: Hours are strictly enforced!
If 5 minutes late, all contacts will be called!
If 15 minutes late, the police will be called for neglect!**

****Campers must wear camp T-shirt provided. Each child will receive 2, so they can participate in all activities for safety reasons.**

*****Campers need to bring a backpack with the following items:
lunch, water, snack, sunscreen, and a jacket ONLY.**

Jump for Joy

Hermosa Fun

Mad Science
